"NEW BEGINNINGS"

Adult Support Group

"NEW BEGINNINGS" is a Dodge City Community College **Adult Support Group** designed to help non-traditional students **cope** with the process of returning to school.

WHO IS A NON-TRADITIONAL STUDENT?

A non-traditional student is one who did not go to college directly out of high school or is returning to college after an interruption in his or her formal education. A non-traditional student may be attending **part-time or full-time**.

Non-traditional students worry about academic work, they fear failure, and they have to juggle responsibilities of home and job. The purpose of "**NEW BEGINNINGS**" is:

- ★ to encourage other adults to go to college, and
- ★ to give adult students support once they are enrolled.

"NEW BEGINNINGS" meets **once a month** for a special program about a variety of topics, such as time management or study skills. These meetings last one hour and are generally held during the noon hour. Members are encouraged to bring a "brown bag lunch" or purchase their lunch from the DCCC Food Service. Specific dates and locations of meetings are announced in advance. During the Fall and Spring semester **"NEW BEGINNINGS"** sponsors a **dutch lunch** once a week (Thursday, 11:30 a.m. to 12:30 p.m.). This is an opportunity for non-traditional students to meet and visit informally.

Non-traditional students (as well as traditional students) often study together. The Learning Resource Center (LRC) provides rooms for groups of students who wish to **study together**. The rooms must be reserved through the staff at the LRC.

If you would like to be a member of the "**NEW BEGINNINGS**" Adult Support Group, fill out the adjacent form, clip, and mail. Or, you may join on Registration Day at the beginning of each semester.

Oh! By the way! There are **no dues** and no restrictions on attendance. Come when you can... you'll always be welcome!
